on record here.

Rains Sunday and Monday caused a temporary halt to picking and ginning but did little if any damage to the crop. Bright sunshine Monday afternoon soon dried things off and cotton picking is again in fun swing.

Maryin weetherford said to the commissioners yeted to the commissioners yeted to the commissioners yeted to the commissioners yeted to the commissioners.

Marvin weatherford said he put a crew of 13 Negroes and 10 white pickers in his field Tuesday morning and hopes to get his crop out in short order. Most of his cotton promises to yield a bale per acre. Many other farmers are making similar reports.

The commissioners voted to use crushed stone on these roads if slag could not be obtained. Crushed stone costs more and is not as good, the group were told.

J. O. English, probate judge, stated he is quite sure that work on these three roads will be
